

New Director Application

Thank you for your interest in the Douglas County Fish & Game League. The League has 40 elected directors and many lifetime members. There are some things you need to know to make your decision as you apply for a director position. We are a federal 501(c)3 non-profit group. Please look at our website at www.dcfgl.org to learn more about some of the things we do in the Northwest Wisconsin area including the Twin Ports of Superior Wisconsin and Duluth Minnesota.

Some of the expectations and responsibilities as a director include attending regular monthly meetings, usually the first Wednesday of the month from September thru June. If you cannot attend a meeting, you must contact an officer of the executive board or a director to be excused. According to the By-Laws, if you miss three regular meetings in a year that are unexcused, you could be dismissed to allow for another more active member to be engaged in the director's role.

You are **required** to work the annual 3-day Sport Show, usually held near the end of the March as this is our main fundraising event where we establish the revenue and contributes to our operating budget for the year.

You are asked to help during work nights at the Constance Rifle Range on Hwy Z as well as volunteering for other DCF&GL sponsored events such as the rifle sight-in before the deer gun season and in raffle ticket sales. There are also several committee's that you may sign-up to participate in that may meet throughout the year as needed.

The DCF&GL efforts focus on working with youth education, elderly and handicapped programs as well as supporting our country's veterans. Your conduct is also very important as you apply for a director position. The Douglas County Fish & Game League has existed for over 100 years and if you choose to commit to the organization, we can continue to support the Leagues mission into the future.

We look forward to your successful application and joining our group.

Sincerely,

DCF&GL Board & Directors
